

KATIE LEE JOEL

NEW OCEAN LINE SERDANELI STYLE

France's Serdaneli will present three new bathroom accessory lines at this year's Fort Lauderdale Boat Show. The new Ocean line features hand-blown Brehat glass shaped to resemble a sailing winch. Each piece is unique and comes in five colors to match any textile or marble decor. The Smart line is crystal and marries chrome, nickel or gold finishes to create a harmonious blend for both classic and contemporary design styles. The Profile line is a blend of elegant wood with two-tone metal or gem finishes. Serdaneli will also showcase three new door handle designs in chrome, silver or gold with cocobolo or ebony wood finishes.

Billy Joel's Launch Derecktor 57' Vendetta

Musical sensation Billy Joel, his wife, family, friends and press gathered for a celebration of his latest hit—the 57' Derecktor *Vendetta*. Joel teamed up with Naval Architect Doug Zurn to create another high-performance luxury yacht. After the completion of Joel's Oyster Bay, Long Island house and frequent NYC trips, he wanted to commission the 57', which has ample cockpit space, interior appointments and weighs 40,000 lbs. The enclosed cockpit easily seats six. Below is a raised galley with a small dining table. Twin 1300-hp MAN diesels coupled to a Power-Vent marine drive system quietly drones under a well-insulated engine room.

LOA: 57'2"
Beam: 15'
Draft: 3'9"
Engines: 2x 1300-hp MAN
Fuel Capacity: 660 gallons
Water Capacity: 120 gallons
Top Speed: 50 knots

WORLDSPAN TAKEOVER CRESCENT CUSTOM YACHTS

WorldSpan Marine Chairman Steve Barnett recently announced the acquisition of Crescent Custom Yachts. Continuing WorldSpan's business model of acquiring key marine assets, the buyout of Pac NW builder Crescent adds to WorldSpan's already impressive portfolio, which includes Queenship Marine Industries, builders of custom and semi-custom fiberglass motoryachts from 70' to 95'. Barnett reported that WorldSpan will continue its expansion as opportunities arise.

"It is our desire to become a full service operation within the marine sector encompassing all facets of the ever expanding yachting community. Our goal is to cover all potential needs of the industry from new builds to service and ultimately marinas."
